List of Planning Division Approved Biological Consultants

The list below includes all biologists who have executed memorandums of understanding with the County of Ventura's Planning Division. The list also details what types of projects these biological consultants are qualified to work on. Note, only these names listed below are qualified to work on projects in the unincorporated County of Ventura. Biologists that complete work and are not included on this qualified list may have the work product rejected by the Planning Division and that work will have to be redone with a qualified biological consultant approved by the Planning Division. For additional questions about the Planning Division's Qualified Biologist Program, please visit, vcrma.org/en/biological-report-procedures.
